

Thanks to all for your dedication!

Father will be speaking this weekend to the fact that people are not following the "rules".

We believe this is due to people coming back who are unaware of the procedures we need to follow but Father will speak to it and it is also in the bulletin.

As we are asking others to "play right", I know that many of us, including myself, have been guilty of being chatty with parishioners as they come in, especially if we recognize that they are just returning. We want them to feel welcome and we truly are happy to see them -- but we are not supposed to be doing that, either. Let's try to be mindful of our example.

We have purchased an electrostatic sprayer for disinfecting the church and school so our cleaning will be simplified soon, Look for more detail on that. The machine is quite costly so please do not attempt to use it without training. More on that later.

Here are the schedules for the next couple of weeks. We are posting them on the bulletin board in the gathering space and putting them in the bulletin each week.

Some of you have been on duty every week, some by choice and others because we just don't have enough people to share the work. Please do not let us wear you out or take advantage of your good nature. If you need a break, please let me know! We'll figure it out.
