

Thanks be to God for this beautiful weather we are having!
And thanks to all of you for making worship safe for all God's people!
You are wonderfully made!

A SPECIAL NOTE FOR LECTORS:

Whenever Deacon Al is present, he will read the Prayers of the Faithful as usual.

If Deacon Al is not with us, Samuel will read the Prayers of the Faithful.

If neither one is in attendance, you are asked to please be prepared to take over.

FOR USHERS:

Please continue to be vigilant as people are coming in to make sure they use the hand sanitizer and that they are wearing face masks,

If you see someone taking their face mask off while in church, please ask them to put it back on. You can explain that while we are aware

of other parishes not requiring this, it is our policy that masks must be worn from the time they enter until they leave the church. This is for the good of all.

ALL:

Please check your calendars and let me know if there are weekends you will be unavailable.

If you are unable to make an assigned weekend, please call me on my cell phone: 314-378-4949.
