 Sharon Guerin

8th Grade:

Kimberly McNutt
 OPEN

The School and Family Organization (SFO) was formed to foster unity among BTC School families and to provide financial support for our school. SFO accomplishes this by hosting activities for our students/families and through fundraising events. We encourage all our school families to become involved and volunteer at several of our activities throughout the academic year. Some information on SFO activities are below – ask your room rep for more details. To become a room rep – contact Monica Hawkins at 314-303-0458.

SFO Fundraisers

TAP - Tuition Assistance Program

Lenten Fish Frys

Trivia Night
